### Step 1

Add 'freeconferencing.5308811300' as a Contact or 'freeconferencing.1300' as a Contact if the first one is not "online". (Sometimes it is good to have both in your contact list, just in case one of them is not online or goes offline during a call.)

Click 'Call' to dial into the conference

### Step 3

Locate the Key Pad and enter access code when prompted (The Key Pad is part of Skype and you will need to use your mouse to manually click on the numbers. You cannot use your keyboard numbers. "View Key Pad" may be under the Call menu.)
