

The Original Pleiadian Wisdom Oracle Deck

A Card Deck for Daily Guidance

All of us long deeply for peace in our hearts, harmony in our environment, joy in our relationships, and abundance in our material world. How do we attain those things when we live in a world where we are confronted with conflict and confusion on a daily basis? Life gives us challenge after challenge to grow and change. As we look around us, we may see others who appear to be happy and living a good life. Of course, we want a good life, too, and we may wonder what changes we need to make to achieve a better life for ourselves. Having an oracle deck to guide us is very helpful! We can make new choices in every moment to help us attain the life we want. It is not the right relationship, the right place to live, or enough money that makes us happy; it is learning to really know who we are and how to make good choices that support our own growth, help us to reach our goals, and bring our hearts peace.

Pia Orleane, Ph.D. and Cullen Baird Smith are co-creators of the amazing oracle card deck, *The Original Pleiadian Wisdom Cards*, co-authors of award-winning the *Wisdom From the Stars™* trilogy, the *Divination* award-winning book, *Pleiadian-Earth Energy Astrology—Charting the Spirals of Consciousness*, and the yearly *Pleiadian-Earth Energy Calendar*. They work with the Pleiadian Group Laarkmaa™, a loving group of interstellar beings who share wisdom to support human evolution. laarkmaa.com

The quotes used in these cards come directly from Laarkmaa, a group of loving, gentle, and wise Pleiadians whose greatest purpose is to help humanity awaken and evolve. We feel that the purpose of an oracle card deck is for guidance and inspiration. Because guidance is all about making good choices, you will find a continual reference to the power of choice throughout this deck.

Three of the basic principles that appear throughout the deck are *Ahimsa*, *In Lak'ech*, and *Integration*. Each of these themes helps us move into the higher vibration of interdimensional living and happiness. *Ahimsa* is the Sanskrit word meaning “Do No Harm.” The Pleiadians guide us to always make choices that do not harm others or ourselves. This is the first step towards unity and true happiness. *In Lak'ech* is the Mayan word for “I am another yourself.” The Pleiadians first gave this concept about conscious living to the Maya and created

the Mayan Calendar (which was never about *time*; it was always about *energy*). Now Laarkmaa brings this wisdom to us again in this card deck to help us open our hearts to others, while releasing judgment, separation, and blame. This is the second step towards achieving a good life. The third step is the principle of *Integration*, a principle woven into the card deck through the use of the number thirteen that represents integration, which is extremely important in the Pleiadian cosmic perspective.

Because the number thirteen is so important and intrinsic to understanding Pleiadian cosmology, the organization of *The Original Pleiadian Wisdom Oracle Cards* is based on these 13 Universal energies. Each category has 13 cards that supply inter-related levels of wisdom and understanding. In the Advanced Use of this card deck, each card references one of the 13 Universal energies to help you know how to navigate your circumstance or situation.

These energies are:

- | | |
|----------------|----------------------------------|
| 1 - Initiating | 8 - Connecting & Abundance |
| 2 - Duality | 9 - Harmonizing |
| 3 - Creating | 10- Manifesting (or Challenging) |
| 4 - Foundation | 11 - Illuminating |
| 5 - Changing | 12 - Understanding & Realization |
| 6 - Flowing | 13 - Completion & Integration |
| 7 - Merging | |

Thirteen represents the energy of integration as explained above, and it is Laarkmaa's wish that you not only receive answers you seek, but that you are also able to integrate them for the direction you need in your life. It is through integrating deeper wisdom of all areas in our lives that we can combine them in harmony, releasing our dualistic perspectives that are based on judgment and separation, and step into balance, cooperation, unity, and love. These cards are your evolutionary portal for real guidance and deeper understanding.

The card deck is divided into six categories, each of which contains cards that reference the thirteen the Universal energies. The six categories answer the most commonly asked questions by those seeking guidance or answers.

The six categories are:

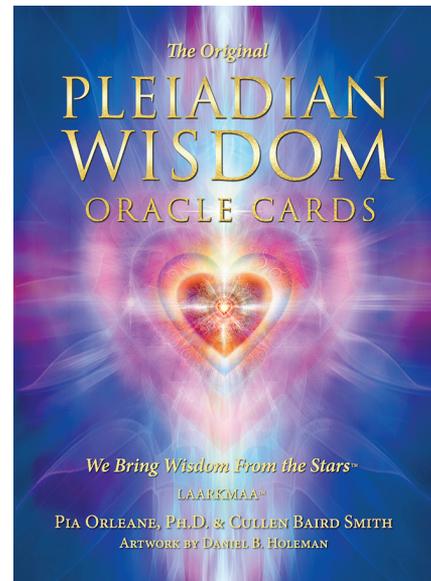

Nature - Relationship - Healing - Purpose - Evolution - Manifestation

These areas flow seamlessly into one another and are, of course, all related. You may discover what you need in a category other than the area in which you asked your question. For instance, you may find an answer to a *Relationship* question in a *Nature* card, or the answer to a *Purpose* question in a *Healing* card. You will be drawn to the category and specific card through your intuition and intent. The accompanying Guidebook of Laarkmaa's *Original Pleiadian Wisdom Oracle Cards* provides both explanation for the quote on the card and an advanced explanation of how to use the particular Universal energy of the card to understand more deeply the answer to the question you have asked.

Before this deck was created, the Pleiadians shared their wisdom and cosmic perspective in the form of books. While the card deck will give you the answers you seek, the books remain available for deeper exploration of the principles upon which the cards are based. All the key perspectives shared in Laarkmaa's previous written work have been summarized in this amazing card deck. To understand the basis of Laarkmaa's wisdom, you can explore and enjoy the books that set out Pleiadian guidelines for conscious evolution. They contain literally volumes of heart-based wisdom from the Pleiadians.

Laarkmaa's *Wisdom From the Stars*TM trilogy provides the basics for understanding the cosmic view that ultimately leads to higher consciousness, evolution, freedom, love, and peace. In this trilogy, Laarkmaa explains step-by-step how to attain your own healing, deep connection with those you love, and how to raise your consciousness from the separatist point of view to the place of unity and happiness.

Book 1, *Conversations With Laarkmaa—A Pleiadian View of the New Reality*—introduces the basic perspectives given to humanity to support our evolution, including topics such as communicating through water, the illusion of time, and

the end of duality. Laarkmaa's wisdom is available to guide you through this auspicious time. The Pleiadians tell us that we have a choice in changing the course of our own evolution. Their card deck helps you to make those choices.

In Book 2 of the trilogy, *Remembering Who We Are—Laarkmaa's Guidance on Healing the Human Condition*—The Pleiadians set out the principles for healing everything that is out of balance in being human—from personal health to relationships. Each truth Laarkmaa shares builds upon a preceding insight, until you are given all of the tools you need to heal yourself and our planet. The subject of this book is reflected in the *Healing* category of the card deck.

Book 3 of the trilogy, *Pleiadian Manual for Accelerated Evolution & Ascension—Laarkmaa's Step by Step Guide* provides guidance and suggestions for moving through your own evolution and ascension with flexibility, flow, and grace. The manual provided by our Pleiadian interstellar friends helps you move beyond the illusion of the third dimension into a greater multi-dimensional perspective of reality and includes the secrets of manifestation, which is frequently referenced in the card deck.

**PLEIADIAN-EARTH ENERGY ASTROLOGY:
Charting The Spirals Of Consciousness**

by Pia Orleane, Ph.D. & Cullen Baird Smith
 Publisher: Bear & Company Inc
 ISBN 9781591433095, \$20.00

In *Pleiadian-Earth Energy Astrology—Charting the Spirals of Consciousness*, Laarkmaa gives you a map to chart the spirals of your consciousness. In the cosmos, all energy spirals in waves; it is not linear. The Pleiadians want us to understand how energy works in the universe to align ourselves more harmoniously with others and begin to live in a more balanced way, benefiting all life. Cosmic energy moves in cycles of 13 Universal energies as explained above, which you find in every category of the card deck.

In their yearly *Pleiadian-Earth Energy Calendar* Laarkmaa identifies the two major spiral patterns that influence us on a daily basis—the 13 spirals of Universal energy that reflect cosmic laws and truth and the 20 spirals of Earth energy that reflect how we humans experience ourselves, each other, and our environment here on Earth. They outline and define the energies that are present in our world and show us how to navigate our lives through understanding those energies, rather than being ruled by time. The perfect companion to *The Original Pleiadian Wisdom Oracle Cards*, the calendar shows you what the energies of each day bring, and your drawing of spe-

cific cards guides you in your choices of how to use that energy.

To explore the principles the Pleiadians teach more deeply, the above-mentioned books explain all the concepts offered in Laarkmaa's oracle card deck. It is important to note that modern science has finally confirmed an essential component of the Pleiadian teachings mentioned above—our Universe is not linear; it moves in spirals. Human evolution also unfolds in spirals, rather than the linear progression we call "progress." All of life is interwoven into a living system of cycles, from Earth's seasons to the enzymatic pathways that provide energy to a cell. Cycles map the most auspicious time for everything in life. Through understanding the energies involved in these cycles of life, you can find the pathway to restore balance to your emotions, your health, and your relationships. The oracle cards guide you to that path, focusing upon the spiraling and interconnected movement of Universal and Earth energies, rather than on time, and explaining how this new wave of Pleiadian wisdom can support your own and human evolution.

Providing a map to transcend all systems that no longer serve you, freeing you to become the enlightened cosmic being you truly are, Laarkmaa shows you how, with the wisdom of the Pleiadian-Earth Energy system and opening your heart to the Pleiadian perspective, you can each discover your specific gifts, work through your challenges, and evolve into your higher vibrational Future Self.

This beautiful card deck represents a compendium of Pleiadian wisdom through quick and easy references that can be absorbed by reading the quotes, following the Guidebook, and even from looking at the beautiful images supplied by Daniel B. Holman of AwakenVision.com. Daniel's artistic talent is combined with a life-long exploration of consciousness, much like Pia Orleane and Cullen Baird Smith who created this deck of Pleiadian wisdom.

Friend and colleague, Barbara Hand Clow, Author of *The Pleiadian Agenda*, says this about Laarkmaa's *Original Pleiadian Wisdom Oracle Cards*:

This is the Pleiadian oracle I've awaited all my life! It is crystal clear, direct, and deeply meaningful. It comes directly from the Pleiadian heart. As Laarkmaa says, it helps us become fully functional, a person who chooses to evolve and live in the heart in fusion with cosmic wisdom. It exudes love while being totally useful, a must-have oracle for all seekers of Pleiadian consciousness.

Our lives are defined by the choices we make, not by fate. We arrive with a map and a combination of energies to work with, but how we choose to use that map and the choices we make direct our destiny. We take back our power and determine our own path through every choice we make. We learn to work with the energies of the universe by understanding cosmic principles and applying them to our own lives. Spread the deck. Take a deep breath. Quiet your mind and listen to your heart's intuition. Then draw the card you need for this moment. The Pleiadians will not let you down. The deck is sprinkled with Pleiadian star dust and you will be drawn to the navigational tool you need for insight, wisdom, and guidance. Beautiful images will open your heart. Words of Pleiadian wisdom on each card will guide you to listen to what your heart needs and wants. Life is about choices. A good card deck gives you guidance to make the best possible choices for your life, moment-by-moment. Everything can change in an instant. You don't have to read a book or learn to follow some special formula for happiness. The advice you need is right in front of you the minute you draw your card. Today is the day to make the change you need. This moment is your opportunity. Let the *The Original Pleiadian Wisdom Oracle Cards* show you how to achieve your heart's desires!
