

VIEWPOINTS

"We are like waves in a vast ocean. One wave crashes into the shore, but its substance never vanishes because it returns to yet more waves."

MATTHEW JUKSAN SULLIVAN, P.57

"When you Don't Know, there is a crack in the delusion of mind. And you can be penetrated by an entire Universe."

JEFF FOSTER, P.3

"For knowledge, add; for wisdom, take away."

CHARLES WRIGHT, P.64

"Remember, your time on earth is only a small part of your entire life cycle."

JOHN RUSKAN, P.45

"You are great, compassionate beings who came here to bring love and light into the darkness of a very painful evolutionary process!"

PIA ORLEANE, P.39

"If it could be proven beyond a shadow of a doubt that God exists, do you think that would make a difference in your life - I mean, as a practical matter - in any way?"

NEALE DONALD WALSCH, P.8

"I exposed my suffering to light, so that what was exposed to light may itself become a light."

GEOFF THOMPSON, P.73

"They created the rapping sounds by cracking the bones in their toes."

LISA MORTON, P.49

"The solution to our modern misery can be found in beauty."

JUSTINE KOLATA, P.58
